GMP Searsburg wind facility (Eastern Project Area), and )  
10 turbines along the ridgeline to the west of Route 8 in )  
the northwesterly orientation (Western Project Area) – )

Order entered: 7/8/2015

**THIRD ORDER RE: COMMENT DEADLINE**

On July 2, 2015, Deerfield Wind, LLC ("Deerfield Wind") submitted the third set of compliance filings pursuant to the Certificate of Public Good ("CPG") that the Public Service Board ("Board") issued for the Deerfield Wind Project (the "Project") on April 16, 2009. The compliance filings consist of a Power Purchase Agreement between Deerfield Wind and Green Mountain Power Corporation (Conditions 4 and 5), a revised Decommissioning Plan (Condition 21), and a Draft Letter of Credit associated with the Decommissioning Plan. Deerfield Wind's filing indicates that Condition 21 of the CPG specifies that parties shall have two weeks to file comments. The CPG did not specify comment deadlines for the other two compliance filings, but Deerfield Wind recommends allowing parties two weeks to comment.

The Board hereby requires that any comments on the three compliance filings be submitted by July 22, 2015.

**So ORDERED.**

Dated at Montpelier, Vermont, this 8<sup>th</sup> day of July, 2015.
